Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner gave applicant's representative a courtesy call to inform him that the 11/28/2005 amendment would be held non-responsive to the new ground of rejection by the Board of Appeals as it amends the claims and adds new claims in such a manner that they are no longer considered to be "directed to the same subject matter as the appealed claims" (MPEP 1214.01(I)).
